

*Recapturing the convivial spirit of Sydney's formative years, The Doss House unites fine spirits & cocktails with the historical charm of one of the city's oldest suburbs, The Rocks. Built in the 1840s, this space has been the home to a rich, eclectic collection of tenants including a bootmaker, boarding house, doctor's surgery & opium dealer, some which have been entwined within the interiors of the five, cosy bar spaces.*

*The result is a bar steeped in character, ambiance & history.*
